

## Pain Management Specialists Directory

This list is not intended to be an all-inclusive list of pain management specialists in Washington State. The physicians listed below are either certified in Pain Medicine or are recognized in the management of chronic non-cancer pain. If there is not a pain management specialist listed in your area, please consult with a board certified physician who has experience managing chronic non-cancer pain. Typically physicians who are certified in Pain Medicine are also certified in Physical Medicine and Rehabilitation, Anesthesiology, Neurology, or Internal Medicine.

To locate a physician certified in Pain Management by the American Board of Pain Medicine go to **[www.abpm.org](http://www.abpm.org)** and locate your state.

| Doctor               | Address   | Phone          | Health Care Funding Source *                               |
